

Community Tile Program

The Shops at Rossmoor will be donating 250 12 x12 inch tiles, paint & glaze for a fundraising project to benefit The Education Foundation. Tiles will be available for families or individuals to paint for a donation of \$100 and will be on display at The Shops at Rossmoor for many years to come. Paint & supplies, along with templates and tiles will all be available at The Shops every Saturday in October near Peet's Coffee and Tea.

Space is limited to a total of 250 children or families that will be able to participate in this program and have their art preserved for many years. If you would like to participate or make a donation to The Education Foundation benefiting the children of the Los Alamitos Unified School District, please fill out and mail in the form on the reverse or visit www.shopsatrossmoor.com/events or www.edfoundation.org. For questions or to reserve a tile please call 562-243-9171.
